

## First Internet Presence for Business

For **Just £350** you can have your business online, and within the next month.

### This includes:

- Your **Domain** name (E.g. www.mycompany.co.uk)
- A Year's worth of **Hosting** (storage where your website will be accessible for users)
- Bespoke Website **Design** – we design and re design until you are happy, with no hidden or extra costs.
- Up to **10 Pages** of content
- **Form to Email** page – allows your visitors to email you directly from the website, no need for complicated Email software
- Unlimited **E-mail** accounts (E.g. you@yourcompany.co.uk)
- Unlimited **bandwidth** access for visitors – no extra charges should you have a massive amount of visitors
- Website **Statistics** – see how well your website is doing, who is visiting, were from, how they are searching for your website and more.
- **Free support** – Ring us or E-mail us anytime and we'll always do our utmost to help you there and then, from anything from E-mail issues to website changes, even on a Sunday!
- My **guarantee** that we will do everything within our power to keep your website running 24 hours a day, 7 days a week.

Only after your website is online, and your e-mail is working and you are completely happy will you be charged.

### Price Breakdown:
